2010 ADA Seminars

*with Mark Wood, CBO, CAsp &
Paul Klein, CBO, CAsp of CalCasp, Inc.*

Senate Bill 1608 (signed into law in 2008)
requires that all California architects complete coursework
on disabled access requirements and provide documentation
from the course provider to the California Architects Board
(CAB) as a condition of license renewal.

**AIA Central Valley has invited California Certified
Accessibility Specialists (CalCasp, Inc.) to present two
seminars in 2010 to meet the full 5 hour requirement.**

**We welcome both AIACV Members and Non-Member
Architects to attend the classes.**

Spring Seminar:
