or call 916-379-8798 at least  
48 hours prior to the event.*

## **ADA in a Day**

***Spring 2011***

Senate Bill (SB) 1608 (Chapter 549, Statutes of 2008) was signed on September 29, 2008 and requires all California licensed architects to complete mandatory continuing education courses on disability access requirements as a condition of license renewal. The bill also requires licensees to provide coursework documentation to the California Architects Board (Board) with the renewal application.

**This popular course will allow you to earn the full 5 hours of ADA credit in one day.**

Our instructors are Mark Wood, CBO and Paul Klein. Both are CAsp certified owners of CalCasp, Inc. Visit their website at [www.calcasp.com](http://www.calcasp.com) .

The course is open to AIACV Chapter members, as well as non-members.

**Please register early, space is limited.**

Visit [www.aiacv.org](http://www.aiacv.org) or call 916- 444-3658 for more information.
