# WHAT WE DO

## ▶▶ VISION

AIA Central Valley is the leading community resource on architecture and the profession in our region. Our programs, events, and leadership inspire and support architectural excellence, innovation, advocacy, equity, education, and sustainability.

## ▶▶ MISSION

To provide value to our members, partners, and communities through relevant professional development opportunities, our Knowledge Communities, and other resources that inspire, educate, and engage AEC professionals and the public in all stages of their careers.
